A word from our Senior Pastors

At LifeSource we want everyone to find a place of service where they fit and where they can contribute.

We begin our Christian journey by needing to be helped but that is not where we remain. Once we have been helped, we move to the next level, which is helping others.

There is great joy and satisfaction in helping and blessing others. We want to help you find your fit. Once you start serving you find that you also start connecting with people who serve alongside you.

This booklet will show you some of the ways in which you can become a contributor.

Lots of love

Ps John & Anne

Care & Connect

Connect Groups

LifeSource is much more than what is seen on Sunday. Our goal is to create a family – a community of people doing life together. Connect Groups are one of the key ways in which we fulfil our mission to bring God and people together by loving God, growing spiritually and helping others. It is primarily through Connect Groups that we build relationships that empower people to lead and influence in every sphere of life; relationships that are central to the Christian journey at LifeSource.

Each week dozens of Connect Groups meet across the northern suburbs of Sydney: some during the day and some in the evening. There are a variety of groups: Men's, women's and mixed; some for families, for singles, the mature and foreign language.

Can you use your gift of hospitality to host a group; your gift of leadership to lead a group; your gift of exhortation to encourage others?

Connection Calls

We love to connect with each person that visits our church on a Sunday and help them to find their next step. Would you like to be part of the team and make phone calls to some very lovely people?

LifeSource Kids

"One Generation will declare His good works to the next"

What an exciting privilege it is to sow into and raise up the next generation to know God and love others! What better way to invest our time than making a difference in childrens lives!

Each Sunday in LifeSource Kids we have heaps of fun, learn all about the bible and encounter Jesus through worship, small groups, media and activities in a life changing way!

Our heart is to create an environment where children of all ages can make friends with one another and have lots of fun whilst growing up planted in the house of God! Sundays should be the best day of the week. We're helping kids develop their own personal relationship with God and giving them the skills to "dig deep" into God's word and presence for themselves!

In LifeSource Kids we are raising kids to love Jesus, live like Jesus and help others.

We'd love you to be part of the awesome team! There are many ways you can get involved and be part of the team.

Sounds/Media/Lighting:

We are looking for “tech” teenagers who can come and help run sound and media in our kids program! It’s a great first step to serving in church and a great training ground for serving in main church sound and media later on!

Media

We believe in the power of media. It moves people. It informs them. It inspires. And at LifeSource Media, we are bringing God and people together the sharing of His amazing story to those who are in a service on Sunday, and to those who tune in to our television programme each week. Interested in joining the LifeSource team that is the largest area of outreach in our church? Now, getting involved in Media might be a daunting consideration. Well, let me touch on some answers to questions I regularly discuss with people about that.

Firstly, yes. There IS availability for you to join LifeSource Media. We will always have availability, as we know that with more people involved in our crew, the lighter the workload is for everyone.

Secondly, a number of people consider involvement, but aren't entirely sure who to chat to in order to make that happen. Right now, that person is me, Shane.

Thirdly, I have a fair number of conversations about capabilities. Well, the good news is that if you aren't entirely sure how to operate a camera, or perhaps you are interested in becoming a TV or Tech Director but aren't sure if you have the knowhow – we will make sure you get full training! And, we'll do our best to make sure it is at a pace that suits you.

Lastly, many people want an idea of time commitments. Well, our aim for 2018 is to have 12 TV directors, 12 Tech Directors, and 50 camera operators in our team. Once we have 50 camera operators – then the time commitment for serving will be one (1) service every 5-6 weeks. Additionally, we'd expect you to come to any training relevant to the position you're in. And the last time commitment would be to come along to the LifeSource Media Team Lunch, which is on for about 1.5 hours once a quarter. And that's it - *Shane Miller*

Alpha is run all around the globe, and everyone's welcome. It runs in cafés, churches, universities, homes – you name it.

No two Alphas look the same, but generally they have three key things in common: food, a talk and good conversation.

Would you like to be involved in our **First Steps** classes which teach new Christians the first steps in their Christian journey.

Gifts: Evangelism, Exhortation, Teaching.

Street to Seat

A church service doesn't start when that first song commences! It actually begins the minute someone drives onto the church property. With this in mind, the car park is our first impression. Everything after that adds to the experience and plays a part in allowing God to work in our lives.

- Have you ever been to a public bathroom somewhere and realized a few seconds too late that there's no toilet paper in the dispenser? That's why we check the bathrooms!
- Have you ever been in such a rush to get to church that you missed your morning cuppa? We love serving tea and coffee before and after the services.
- Isn't it great to see a smiling face at the door to welcome you?
- It can be awkward when you're knew and you don't know anyone. We like to talk to new people and help them meet others.

Car Park Team

Our car park team keep the traffic moving. We aim to ensure people find a car park space upon arrival and direct people to the main auditorium. Mums and Dads – how about serving with your teenage son or daughter?

Greeters Team

What an honour to make a first impression on every person who comes into our church with a smile and a warm welcome.

Hosting Team

Our hosting team helps to create an atmosphere of worship by preparing our church for your services and assisting, directing and leading people to their seats.

Café

How great is it to relax and enjoy a tea or coffee and a chat? Is a wonderful opportunity to meet new people and catch up with old friends? We have opportunities to serve in the pre service and post service cafes.

Coffee Cart

After the service, our friendly barristers like to serve you café style coffee – FOR FREE! There is a donation box and all the money that is donated goes to building wells in Cambodia! How awesome is that!

Information Desk

If you have any questions or want to get more involved in the life of LifeSource, the Info Desk is the place to go. You can ask about Connect Groups, find out about our next water baptisms, anything you need to know, this is where you'll find the answers.

Youth

Youth is one of the most significant and foundation forming times of our lives! It's in our youth years that we make decisions that determine the course of our life!

As a youth ministry we exist to see young people fall in love with Jesus, make life long strong friendships and plant themselves in the house of God, **FOR LIFE!**

We want young people to leave our youth ministry with a foundation in God that will stay with them through all seasons of life. We want them to enter their young adults years having encountered God in such a life changing way that they are forever ruined for the ordinary!

We would love people to join our amazing youth team!

Bus Drivers

We have a bus and need drivers on Friday nights to pick kids up and drop kids home. Not all of the kids who come to youth are from christian families or from families who are able to get them to youth! Driving a kid to youth on a friday night can literally change the course of the rest of their lives! You can either do the pick up, drop off or both! It could be an occasional or regular thing depending on your availability.

Cooks:

Each friday night we run “cantina” which feeds the kids and raises money for our youth ministry. We are looking for people who can join our cantina team and serve once or twice a term by cooking some home made food to feed our hungry youth when they arrive on a Friday night after school!

Cantina helps our Friday nights feel like family, it creates a great atmosphere and raises vital money for our youth ministry.

Youth team

We are always looking for people to join our Friday night youth team! We are looking for people who are young at heart, can relate to youth aged teens and have a passion to invest into the next generation! If you think god is calling you to join our youth team we'd love to have a chat! Wwc are required as well as a process of seeing whether we think you would be a good fit for our team and our youth ministry!
