

THAT ALL MIGHT BE SAVED

THAT ALL MIGHT BE SAVED

Dear Church,

I am constantly encouraged and inspired by the amazing stories of God's saving grace in action all over the world. Our missionaries and mission partners are on the front line every day bringing the love and hope of Jesus to a desperate world, to people who are suffering in persecution and despair.

This year our theme is 'That All Might Be Saved'. This is the heartbeat of God. It is His heartbeat for you, for your family and friends, it is His heartbeat for our city and nation, and it is His heartbeat for the nations of the world.

God is moving powerfully in these last days. He is building His church, He is raising up the next generation, He is pouring out His spirit. I believe God is calling us as a church into a deeper call to Missions. Let's stand together once again as we pray, connect, advocate and influence, and as we give to those in need.
